Sir:

The undersigned respectfully requests that a Supplemental Notice of Allowability be issued that correctly indicates that the Patent Office acknowledges Applicant's claim to foreign priority, and to indicate that the certified copy of the priority document, European Patent Application No. 99403274.6 dated December 23, 1999, has been made of record in the file.

Applicants timely requested that the Patent Office acknowledge Applicants' claim to foreign priority, and to indicate that the certified copy of the priority document, European Patent Application No. 99403274.6 dated December 23, 1999, has been made of record in the file in the Amendment Under 37 C.F.R. § 1.111 filed on September 10, 2004. Therefore, Applicants' request for a Supplemental Notice of Allowability should not result in a reduction of the Patent Term Adjustment of 893 days as indicated on the Notice of Allowance.
